Note 1: Each line of chart represents two rows, one right side and one wrong side row.

Note 2: On right side rows that begin with a black square, knit all black stitches and slip all white stitches purlwise with the yarn held in the back of the work. On right side rows that begin with a white square, knit all white stitches and slip all black stitches purlwise with the yarn held to the back of the work. **Note 3:** On every wrong side row knit the same stitches and slip the same stitches as the previous right side row. Hold the yarn to the front of the work when slipping stitches.

Cast on 51 stitches in dark rose heather and knit one row. Work the 48 rows of the chart once and then end by working chart rows 1 through 23. Bind off in dark rose heather. Block and weave in all tails.
